

January 2017

Dear Parent/Carer,

As you are aware your child has commenced on the new **Physical Education (9-1) GCSE** course at our school. The course has been restructured and there is new content building upon the old specification. This means that as a new course, past paper material and revision materials are limited for the new content. It is for this reason I am writing to you to recommend the purchase of **revision guides and revision workbooks** to aid your child's studies.

The revision guide and revision workbook are available at a reduced price of £3.00 **each** and I **would strongly recommend** these to be purchased by **all** students wanting to achieve at the **higher grades**. These are of enormous help particular for students who struggle with examination technique or for those students wanting to gain the highest possible grades. Completion of the relevant pages would be an **excellent additional homework** activity complementing the work produced in class and giving further reinforcement of knowledge and understanding.

Please complete the order form overleaf and include the correct money to secure your order. All orders must be in by Friday **27<sup>th</sup> January 2017**. They will be issued with their books on receipt of payment following the half term holiday.

Yours sincerely

Mrs L Edwards

Acting Head of P.E.
