

3rd February 2017

Dear Parent / Carer

On **Wednesday 22nd February 2017**, I would like to take Year 9 students to the University of Central Lancashire to attend a “Worldwise” event demonstrating the use of languages outside the classroom.

The day will consist of a variety of different workshops and demonstrations including; writing in Chinese calligraphy, typing in Arabic, using video conferencing and “text to speech” translator.

We will leave school at 8.40am and will return for 1.20pm. Students should bring a packed lunch, children entitled to a free school meal may order a packed lunch from the canteen. There is no cost for this event and full school uniform should be worn.

If you wish your child to take part in this visit, please complete the attached form and return it to school by **Wednesday 8th February 2017**. Non receipt of the form will mean that your child will not be able to participate on this Educational/Off Site Visit.

If you require any further information please contact me at school.

Yours faithfully,

Mrs S Mayor
Head of World Studies
