Dear Colleague,

Thank you for your interest in the post of Head of RE at Christ the King Catholic High School.

The Governors of this outstanding Catholic school wish to appoint a dynamic and dedicated professional to lead this successful RE department. The post will require the Subject Leader to provide professional leadership and management to secure outstanding teaching, high standards of learning, effective use of resources and achievement for all students. The successful candidate will be motivated and focused on maintaining these high standards throughout both key stages. The Subject leader will also be pivotal in developing and promoting the distinctive Catholic ethos of our outstanding Catholic school.

Christ the King Catholic High School is a successful comprehensive school situated close to the centre of Preston. We are growing in popularity and are currently oversubscribed due to consistent improvements in many aspects of school life. Parents recognise the excellent standard of pastoral care and we have a culture of high expectations resulting in a happy school to work and learn in.

We belong to a Catholic Teaching Alliance and have a sharp focus on research based CPD which allows our staff to engage in the current approaches to understand how the best learning takes place. This inspires our staff to give the best possible learning experience to enable our students to be more effective learners.

For further information about the post or to arrange a visit to the school please contact Andrea Leaver aleaver@ctk.lancs.sch.uk . The closing date for applications is Wednesday 19th May with interviews during the week beginning Monday 24th May.

I look forward to hearing from you in the near future.
