## **Examination Discrimination Procedures - Disability, Special Needs & Accessibility Arrangements**

### **Mission Statement**

*“Love one another as I have loved you” (John, 15)*

We believe that Jesus Christ and his Gospel Call – to love God and all people – are at the heart of what we do.

He inspires us, as children of God, to uphold the dignity of each individual.

We strive to develop a community in Christ which fully supports all in achieving their potential – spiritually, academically and personally.

All examination centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the Equality Act 2010

## **1. Special needs**

A candidate's special needs requirements are determined by the SENCO/ specialist teacher.

The SENCO will inform subject teachers what special arrangements that individual candidate may be granted during the course.

## **2. Access arrangements**

All students with a disability have their individual needs assessed in advance and arrangements are put into place and shared with the student to ensure they have full access to all examinations.

Making special arrangements for candidates to take exams is the responsibility of the SENCO and the Examinations Officer.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the Examinations Officer.

Rooming for access arrangement candidates will be arranged by the SENCO with the Examinations Officer.
